FINANCIAL WARRANT OF FITNESS - CAN YOU AFFORD IT?

The team at Rentronics care about your wellbeing and best interests. Setting yourself up for financial hardship will not be supported by us. We advocate for careful financial planning to ensure your new purchase will not stretch your budget.

Our budgeting advice

- * Write down how much money you receive in a week and minus out all the bills you have to pay. This includes the food shop, school fees, power, water, rent etc.
- * After you have done this, the money left over is what you can spend. This is your surplus.
- * But remember! Things pops up (like that dentist bill you have to pay) so spending all your left over money is not a good idea.

Here are some top tips to think about before spending your surplus:

STOP AND THINK... DO YOU NEED IT?

SAY NO TO IMPULSE BUYING

KEEP A RECORD OF YOUR SPENDING

ASK YOUR FAMILY & FRIENDS FOR ADVICE

BE DISCIPLINED

ALWAYS SAVE SOME MONEY FOR UNEXPECTED EXPENSES
